TERMS AND CONDITIONS

By signing the signature page of this contract, you, the undersigned ("Tenant"), agree to the terms and conditions of this Lease Agreement ("Lease Agreement," "Lease," or "Agreement"). This Agreement grants Tenant an exclusive right of possession and occupancy for a single room ("Unit") in the house located at 1560 Villard Street, Eugene, Oregon 97403 ("Veteran House" or "House"). This Agreement obligates the University of Oregon ("Landlord" or "University") to provide you with housing only as set forth in this Agreement. All portions of the Veteran House remain under the exclusive ownership and control of the University.

AGREEMENT TERM

Tenant understands that this Lease is for a fixed-term tenancy that begins on the later of July 1 of the coming academic year or the date that the Resident is permitted to take possession of the Unit ("Start Date"). The Lease ends on the following June 30 ("End Date") without any notice of expiration required. The duration of the tenancy from the Start Date to the End Date is the "Lease Term."

However, if a Tenant is graduating prior to the usual End Date of June 30, the End Date is modified to be the final day of the month of the Tenant’s last class or last exam, whichever is later. Notwithstanding the foregoing, a Tenant who is graduating may stay in the Veteran House through June 30 if: (i) University Housing approves the extension and the Tenant provides proof of enrollment as a full-time student in a new program; or (ii) University Housing grants the student permission to stay past graduation.

1. ELIGIBILITY

1.1. GENERAL ELIGIBILITY

University Housing in the Veteran House is provided on a space-available basis for students who meet the following criteria ("Eligible Student"): full-time (minimum 12 credit hours per term) undergraduate student or a full-time (minimum 9 credit hours per term) graduate or professional students enrolled at University of Oregon, a University affiliated program, or dually enrolled in Lane Community College; AND a veteran as defined by Oregon law.

If a Tenant no longer meets these eligibility requirements, they are in material breach of this Agreement, they must vacate the Unit, and the Landlord may terminate this Agreement and take possession of the Unit.

1.2. SEX CRIMES AND REGISTERED SEX OFFENDERS

If you have been convicted of a sex crime (for example, any crime involving unwelcome or otherwise unlawful acts of a sexual nature) or have been required to register as a sex offender, you are required to immediately disclose this information as part of the University Housing application process. This requirement extends beyond the submission of this application. You must immediately disclose to University Housing any later conviction of a sex crime, determination to be a sex offender, or requirement to register as a sex offender that occurs after submitting this application. You are not required to disclose any conviction in Oregon that has been set aside under ORS 137.225 or any conviction in any other jurisdiction that has been set aside by a court of competent jurisdiction.

All disclosures must be provided to Associate Director, Residence Life, Systems and Services at housingdisclosure@uoregon.edu or the University Housing office. If you have questions regarding the crimes covered by this disclosure requirement, you may refer to the definition of sex crimes included in ORS 163A.005 or contact the Associate Director, Residence Life, Systems and Services.

Failure to provide complete and accurate information will result in immediate denial of your application and may result in disciplinary proceedings. The University may contact you for additional information regarding the conviction. The University will respond to your application after full review of the information and circumstances of the conviction.

Notifying the University as required in this section is unrelated to and does not fulfill any requirement to register under ORS Chapter 163A.

1.3. PROOF OF ELIGIBILITY

Tenants must provide proof of eligibility.

1.4. NOTICE OF CHANGES IN TENANT’S STATUS

Any change in a Tenant’s status that may render a Tenant ineligible to reside in the Unit must be reported to University Housing at http://housing.uoregon.edu/myhousing at least ten business days prior to the change.

1.5. TENANT RIGHTS

The terms and conditions of this Agreement are subject to the Landlord’s and the Tenant’s rights and obligations described in ORS chapter 90. To the extent that any term or condition of this Agreement conflicts with an applicable requirement of ORS chapter 90, the applicable requirements of ORS chapter 90 control and supersede this Agreement.

1.6. OCCUPANCY REQUIREMENTS

Occupancy for each unit is limited to one person. Unless otherwise required or permitted by the University, Tenant must: (i) continue residing in the Unit to which the Tenant is assigned; and (ii) be the sole occupant of that Unit.

1.7. COMMON AREAS

All areas in or around the House that are not subject to any Tenants' exclusive right of possession and occupancy are the common areas of the House ("Common Area"). Subject to the provisions of this Lease, all Tenants, including their guests and invitees, have the nonexclusive right to use the Common Area jointly with the other Tenants, guests, and invitees. All tenants of the House are jointly and severally responsible and liable for the control, custody, and management of the Common Area, including responsibility for damage caused to the Common Area pursuant to Section 8 of this Agreement.
2. CHECK-IN AND ASSIGNMENTS

2.1. ASSIGNMENT PROCESS
Unit assignments are based upon date of application and eligibility requirements and are at the sole discretion of the Landlord. Specific Units are not guaranteed prior to check-in.

2.2. CHECK-IN PROCESS
Each Tenant must complete the check-in process. The check-in process includes arrival on-campus, notifying University Housing that you are taking possession of your assigned Unit, obtaining keys from staff, and completing all necessary paperwork provided by University Housing ("Check-In"). Tenant will not be permitted to Check-In until they have signed this Agreement. Further, by completing Check-In, Tenant accepts the condition of the Unit and its contents at the time of Check-In. The condition of the Unit and its contents at time of Check-In is the standard for the condition of the Unit and its contents at the termination of occupancy.

3. UNIT CHANGES AND REASSIGNMENTS

3.1. TENANT REQUEST TO CHANGE UNIT
Tenant may request a change of Unit. However, all Tenant requests to change Unit are subject to approval by the Landlord at Landlord’s sole discretion.

3.2. CHANGING UNITS
Tenants granted a Unit change must perform a Check-Out for the prior Unit with University Housing upon relocation to the new Unit. Tenants will not be permitted to change rooms without the approval from University Housing.

3.3. DELAY FEE
Tenant must pay the Unit rent rate for both Units until Tenant has relocated to the new Unit and completed Check-Out for the prior Unit.

3.4. TEMPORARY REASSIGNMENT
In the event of unforeseen damage to the Unit, repairs needed to the Unit, emergency, circumstances affecting the health and safety of the Tenants or the University Housing community, or other circumstances rendering the Unit uninhabitable, to the extent permissible under Oregon law, Tenant must vacate the Unit immediately upon notice from Landlord. Landlord may provide Tenants with temporary housing in facilities owned, operated, leased, rented, or otherwise obtained by the University. In addition, Landlord may, with Tenant’s consent, permanently reassign Tenant to a new Unit or terminate this Agreement.

4. PAYMENTS DUE UPON APPLICATION

4.1. INITIAL PAYMENT
Tenants who are assigned a Unit in the Veteran House must pay an initial housing payment at the time they accept their assignment. The initial payment is equal to one month’s rent or its prorated remainder.

4.2. SECURITY DEPOSIT
Landlord requires payment of a security deposit when Tenant accepts an offer of housing. The amount of the security deposit can be found at https://apartments.uoregon.edu/pricing. The security deposit is held by the Landlord during the tenancy. Landlord may deduct from the security deposit any unpaid rent and the reasonable cost of repairing damage caused by Tenant, except for ordinary wear and tear. Amounts not covered by the security deposit may be charged to the Tenant’s student account. Not more than 31 days after termination of the tenancy, the Landlord will refund the balance of the security deposit, if any, to the Tenant’s student account and provide a written accounting that states specifically the basis for any deductions. The security deposit is not the Tenant’s maximum liability for breach of this Lease Agreement, but is merely security the Tenant is required to provide. A list of general repair cost estimates for common household damages can be obtained from the Spencer View Service Center.

4.3. PAYMENT AND REFUND INFORMATION
Additional information regarding payment, fee amounts, and due dates can be found at https://apartments.uoregon.edu. Tenants who cancel this Agreement are subject to contract termination fees pursuant to Section 9 of this Agreement.

4.4. NONPAYMENT
Students will not be accepted into Veteran House until they have paid the initial payment and security deposit.

5. RENT RATES AND UTILITIES

5.1. LEASE RATES
Veteran House Lease rates are posted on the University Housing website: http://apartments.uoregon.edu/eastcampus. Veteran House Lease rates include the following: electricity, water, sewage, garbage, lawn care, furnishings, internet, and cable. All Lease rates are subject to annual rent increases. All Lease rates are non-negotiable.

5.2. MONTHLY PAYMENTS
After the initial payment, monthly rent shall be due and payable on the first day of each month, and payment shall be made as set forth in this section. Monthly Lease payments are assessed on the Tenant's student account on or about the 12th of each month prior to the due date.

5.3. PAYMENT LOCATION
All financial transactions are handled by, and rent is payable at or through, the University's Business Affairs Office.
5.4. UTILITIES
All utilities in the Veteran House are provided by the Landlord and are paid by the Landlord. Utilities for the Veteran House are as follows:

5.5. TRANSFERABILITY OF LEASE AGREEMENT
This Lease Agreement may not be assigned or sublet without the written consent of Landlord. This Lease Agreement is voidable at the option of Landlord if the Tenant assigns this Lease Agreement without the Landlord’s written consent.

5.6. NEW LEASE AGREEMENT
Subject to Tenant’s eligibility under Section 1 and the consent of Landlord, which may be withheld for any lawful reason, a Tenant may apply for a new Lease Agreement upon the expiration of this Agreement. A Tenant who wishes to enter into a new Lease Agreement must execute a new Lease Agreement for the following academic year on or before June 30 of each year. Notwithstanding Tenant’s execution of a new Lease Agreement, this Agreement expires at the end of the Lease Term.

5.7. ABSENCE IN EXCESS OF SEVEN DAYS
Tenant is required to notify the Spencer View Service Center in writing of any anticipated absence of the Tenant in excess of seven days. Tenant is required to notify the Spencer View Service Center in writing and submit the Travel Plans form available online at https://housing.uoregon.edu/myhousing. During such absence, the Landlord may enter the dwelling when reasonably necessary.

5.8. US MAILBOX
University Housing mail service is an extension of the U.S. Postal Service and is, therefore, subject to federal law, including prohibition of mail fraud. Violations of U.S. Postal Service laws will be turned over to the U.S. Postal Service, and Tenant will also be subject to University disciplinary procedures.

5.9. UNIVERSITY EMAIL
University students are assigned a university email account. Tenants are required to check their email on a frequent and consistent basis to ensure receipt of important University communications. Use of University email account is governed by University policies, including the University’s policy on the Use of Email for Official and Mass Communications, found at https://policies.uoregon.edu/use-email-official-and-mass-communications.

5.10. PETITIONS
Tenants have the right to petition for waiver of all or part of their obligations under this Lease Agreement in the event of exceptional circumstances. Petitions are available online at http://housing.uoregon.edu/myhousing. Landlord will only consider a petition if the Tenant’s University Housing account is current and in good standing. Notwithstanding the foregoing, Landlord’s consent to waive any obligation is discretionary. Petition decisions are final. Charges as a result of fire and safety infractions may not be petitioned.

6. VETERAN HOUSE STANDARDS AND EXPECTATIONS

6.1. REPORTING UNSAFE OR ILLEGAL BEHAVIOR
The University prioritizes the safety of its students, faculty, staff, and the surrounding community. Tenants should report any unsafe or illegal behaviors to University Housing staff. University Housing staff will, when appropriate, share this information with University officials to resolve the matter. This may include sharing the information with, if necessary, the University of Oregon Fire Marshal’s Office and University of Oregon Police Department.

6.2. SPECIFIC BEHAVIORS
University Housing requests that Tenants exercise heightened awareness and caution for the following: unwanted and nonconsensual sexual behavior, sexual assault, suicidal thoughts and attempts, self-harm, alcohol poisoning, drug abuse, trespassing, weapons, eating disorders, harassment, discrimination, domestic violence, theft, vandalism, tampering with fire service and fire protection features, initiating false alarms, and playing with or setting fires.

To ensure Tenant awareness of these standards, and for ease of reference, the University Housing Standards can be found at https://housing.uoregon.edu/myhousing-resources. - Animals
- Alcohol, drugs, smoking, and tobacco

7. LANDLORD RIGHTS AND RESPONSIBILITIES

7.1. LANDLORD RESPONSIBILITIES
Landlord will keep the premises in a fit and habitable condition in compliance with applicable state, county, and municipal laws and regulations. Landlord will provide services (“Services”), including, but not limited to, (i) physical facilities, including appliances, in standard repair; (ii) effective water and weather protection; (iii) plumbing conforming to applicable code and maintained in good working order; (iv) adequate heating; (v) an electrical system conforming to applicable code and maintained in good working order; (vi) adequate receptacles for the removal of garbage; (vii) an approved and adequate water supply system capable of supplying hot and cold water; and (viii) working locks for all outside doors and keys for Tenant.

However, the University is not responsible for any damages or losses incurred due to the loss or reduction of Services due to circumstances beyond University Housing’s control, including, but not limited to natural disaster, strike, lockout of public employees or suppliers' employees, and on- or off-campus utility interruptions. University Housing is not responsible for and will not allow cancellation of this Lease or reduced fees for, construction noise or disruptions associated with construction, maintenance, and service vehicles within or adjacent to University Housing facilities.

7.2. PRIVACY AND REASONABLE ACCESS
Except in the case of emergency, or as otherwise provided by this Agreement or by law, the Landlord must give at least 24-hours’ notice before entering the Unit, and then may enter only at reasonable times and in a reasonable manner. The Landlord will not abuse the right of access, nor use it to harass. The Tenant will not unreasonably withhold consent to access by the Landlord.

7.3. PEACEFUL ENJOYMENT
The Landlord is not responsible for any annoyance or disruption to Tenants resulting from noise created by external sources (i.e., private businesses, public services, construction, and University or community events).

7.4. WIFI AND INTERNET CONNECTION
Internet services in the Veteran House are a part of the University’s campus network. University Housing does not manage internet connectivity, operations, or services. If Tenants experience issues with their internet service, they may contact ResNet (541-346-4223) for limited assistance. In the event of a service outage, other University departments will work to restore service.

8. CHECK-OUT AND RESPONSIBILITY FOR DAMAGE AND LOSS

8.1. CHECK-OUT PROCEDURES
Tenants must complete the check-out process prior to leaving their Unit at the expiration of their Agreements (“Check-Out”). This also includes, but is not limited to, Check-Out upon change of Unit and termination of this contract by the student or University Housing.

The Check-Out process includes the following:
- notifying University Housing of intent to leave by submitting a Vacate Request at https://housing.uoregon.edu/myhousing,
- completing the Check-Out checklist available at https://housing.uoregon.edu/myhousing or the Spencer View Service Center,
- removing all personal belongings and cleaning the Unit, and
- returning keys to the Spencer View Service Center during business hours.

8.2. MAILING ADDRESS
Upon Check-Out, Tenants must provide a current mailing address to Landlord until all liabilities and claims are paid.

8.3. TENANT LIABILITY
Tenants will reasonably care for the House, Unit, Common Areas, furnishings, appliances, and fixtures; maintain sanitary and safe conditions acceptable to the University; and abide by the terms and conditions of this Agreement. Tenant will be liable for actual charges for cleaning, repair of damage, abatement of explosive, volatile, or hazardous substances and conditions owned or controlled by Tenants, or other loss, other than ordinary wear and tear, incurred to the House, Unit, Common Areas, furnishings, appliances, and fixtures (hereafter referred to collectively as “Damage”) caused by Tenants or their guests’ (i) acts or omissions; or (ii) failure to abide by the terms and conditions of this Agreement. Tenant agrees to pay such damages to the University upon demand.

8.4. JOINT AND SEVERAL LIABILITY
Tenants are to be jointly and severally liable for any Damage that occurs within the Common Areas. If Damage to the Common Areas cannot be traced to a specific Tenant, guest, or group but was in substantial part caused by Tenant, guest, or group acting from within the House, all Tenants will be charged collectively for the Damage. This is referred to as the “Group Damages” charge on university billing statements. It is the Tenant’s responsibility to keep their Unit locked at all times.

Tenants may wish to carry private insurance policies to protect their property against loss.

8.5. NON-LIABILITY OF THE UNIVERSITY
Tenant is responsible for personal property belonging to the Tenant or guests. The Landlord shall not be liable for loss of or damage to personal property belonging to Tenants or guests unless loss or damage is caused by the willful misconduct or negligence of Landlord. Landlord’s liability is subject to the limitations and conditions of the Oregon Tort Claims Act and the Oregon Constitution.

9. BREACH AND TERMINATION OF LEASE AGREEMENT

9.1. TERMINATION

9.1.1. TERMINATION BY EXPIRATION. Unless Tenant or Landlord terminate this Agreement earlier, this Agreement will expire and terminate on its own terms on the last day of the Lease Term.

9.1.2. TERMINATION BY TENANT PRIOR TO TENANCY. Tenants who terminate this Agreement prior to the start of their tenancy must submit a notice of Termination to the Landlord via My Housing (“Termination Notice”) prior to July 1. The Tenant will receive a refund of their housing deposit but forfeit the entire initial housing payment.

9.1.3. TERMINATION BY TENANT DURING TENANCY. Tenants who terminate this Agreement after the start of their tenancy on July 1 must submit Termination Notice via My Housing at least 30 days prior to vacating the Unit. Tenant must vacate by the day indicated in the Termination Notice. Tenant is responsible for all rent and charges incurred or assessed up to and including the last day of the 30-day period, except that rent will be prorated if the Tenant vacates the Unit and the Unit is rented prior to the conclusion of the 30-day period. If the Tenant vacates the Unit prior to the conclusion of the 30-day period, the Landlord will make reasonable efforts to re-let the Unit. If the Landlord rents the Unit after the Tenant vacates but before the conclusion of the 30-day period, this Lease Agreement shall terminate as of the date the new tenancy begins. In addition to the rent described in this section, Tenant may also be subject to a termination fee.

9.1.4. TENANT TERMINATION FEE. The Tenant and the University acknowledge that, if the Tenant terminates this Agreement or vacates or abandons the Unit (i) the amount of the University’s losses or damages likely to be incurred is incapable or is difficult to precisely estimate, and (ii) the termination fee bears a reasonable relationship to the losses likely to be incurred. Except when prohibited under ORS 90.302(e) and 90.453(2), 90.472, or 90.475, if Tenant terminates this Agreement or vacates, or abandons the Unit after the start of their tenancy on July 1 and remains enrolled in classes at the University, Tenant agrees to pay a termination fee equal to one and one-half months’ rent in addition to remaining rent and charges described in section 9.1.3. Tenants who are no longer enrolled in classes upon termination of this Agreement are not subject to this termination fee.

9.1.5. POST-TERMINATION ADDRESS. Tenant must provide a current mailing address to University Housing until all liabilities and claims under this Agreement are paid.

9.1.6. TERMINATION BY LANDLORD. If Tenant materially breaches this Agreement, Landlord may terminate this Agreement by providing 30 days written notice to Tenant, unless a shorter notice period is otherwise permitted under ORS Chapter 90. Material breaches include, but are not limited to, failure to pay rent, meet eligibility requirements, comply with the Student Conduct Code, or comply with Housing Standards. Subject to ORS Chapter 90, Landlord may terminate this Agreement upon 24 hours’ notice if it determines that Tenant poses a health and safety risk to other Tenants residing in the Veteran House or any other members of the University community.

9.2. LANDLORD’S REMEDIES
In addition to any remedies set forth in this Lease Agreement, the Student Conduct Code, and University Policy 571-022, Landlord shall have all available remedies in law or in equity in the event of Tenant’s failure to comply with this Lease Agreement. This includes, but is not limited to, the right to initiate a forcible entry and detainer action to evict Tenant or obtain damages as provided by law.

9.3. ABANDONED PROPERTY
Landlord will dispose of any personal property left by Tenant after termination of this Lease pursuant to ORS 90.425.

9.4. COURT COSTS
In the event filing fees, service fees, or court costs are incurred by the University for a forcible entry and detainer action, these expenses will be added to the Tenant’s student account and the Tenant will have an obligation to reimburse the University for these expenses unless an appropriate contrary order or final judgment is entered by the court.
10. DISCLOSURES

10.1. ASBESTOS DISCLOSURE
Many apartment and housing units that were constructed prior to 1978 may contain building products that include asbestos. Asbestos was widely used in many building materials and may be present in small amounts in the sheetrock wall coatings. Asbestos has been identified as a potential health concern if it is not managed and maintained properly. Tenants should not install nails or screws, nor sand or grind the walls, nor use double-sided tape on the walls or ceilings in their Units because this may release dust that may contain asbestos. Walls are inspected prior to Tenant arrival to ensure that they are in good repair and pose no hazard. Tenant is responsible for maintaining the walls in the condition they are in at check-in. Questions about asbestos or other potentially hazardous substances may be directed to University Housing.

10.2. LEAD DISCLOSURE
The University manages a Drinking Water Monitoring Plan for campus buildings, including housing units. The University regularly tests water fixtures commonly used for drinking and cooking, such as drinking fountains and dispensers, and sink faucets in bathrooms, break rooms, and kitchen prep areas. When levels of lead from these fixtures exceed EPA-recommended levels for schools and childcare facilities, the University removes those fixtures from use, provides Tenants alternative water sources, and makes repairs until tests are below EPA-recommended levels. Tenants will be notified throughout this process. More information is available on the University’s website for the Drinking Water Monitoring Program: https://safety.uoregon.edu/drinking-water-monitoring.

11. MISCELLANEOUS PROVISIONS

11.1. GOOD FAITH
Every duty and every act that must be performed under this Lease Agreement imposes an obligation of good faith in its performance or enforcement.

11.2. BILLING RIGHTS
In case of billing errors or questions, a Tenant may challenge a charge within sixty days after the first bill on which the suspected error or problem appeared by directing their concerns to the Student Billing department of the Business Affairs Office (541-346-3170; https://ba.uoregon.edu/content/billing-account).

11.3. LIMITATION OF DAMAGES
To the extent permissible by law, in no event, including negligence or strict liability, will Landlord be liable for: (i) damages that exceed the amount paid by the Tenant or a Tenant under this Agreement; or (ii) incidental, consequential, or indirect damages.

11.4. ENTIRE AGREEMENT
This Lease Agreement and the addenda, laws, rules, policies, and documents referenced or included herein are the entire Agreement between the parties. No amendments or additional or differing terms thereto are binding unless signed by both parties.

11.5. APPLICABLE LAW
This Agreement is governed by and shall be construed in accordance with the laws in the State of Oregon, without resort to any other jurisdiction’s conflict of laws, rules, or doctrines. Any claim, action, or suit between the University and Tenant that rises out of or relates to this Agreement shall be brought and conducted solely and exclusively within Lane County Circuit Court for the State of Oregon.

11.6. SEVERABILITY
The invalidity, illegality, or enforceability of any provision of this Agreement shall not affect the validity, legality, or enforceability of any other provision of this Agreement, which shall remain in full force and effect and shall be liberally construed in order to effectuate the purpose and intent of this Agreement.

12. ADDENDUM FOR VETERAN HOUSE

12.1. LEAD WARNING STATEMENT
Housing built before 1978 may contain lead-based paint. Lead from paint, chips, and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, Landlord must disclose the presence of known lead-based paint and lead-based paint hazards in the dwelling. Tenants must also receive: (i) any records or reports available pertaining to lead-based paint and lead-based paint hazards in the dwelling. Tenants must also receive a federally approved pamphlet on lead poisoning prevention.

For many years, University Housing has been applying lead-free paint to its apartments and houses. However, the underlying paint is known to have lead. All East Campus houses were built prior to 1978 and are known to contain lead-based paints. Many of the painted surfaces have been sampled and have been identified as having lead. Do not saw, sand, grind, puncture, or disturb any surface. Tenants who live in East Campus housing built prior to 1978 will also receive: (i) any records or reports available pertaining to lead-based paint and/or lead-based paint hazards in the underlying Unit; and (ii) a lead paint disclosure addendum.

12.2. PETS
Notwithstanding any other terms of this Agreement, except as provided by UO Policy 571-050-0025 and other applicable laws, animals are not allowed. Tenants with disabilities who may require an exception to this prohibition on animals should contact Accessible Education Center at 541-346-1155. Tenants will be provided with additional expectations if an animal is approved as an Emotional Support Animal.

12.3. GROUNDS

12.3.1. The Tenant is responsible for the day-to-day care, cleanliness, and sanitation of porch areas, front yards, backyards, and lawn areas. This includes maintaining all vegetation as it was at the time of initial occupancy. All
grass areas will not exceed six inches in length. Yard areas, including lawn and flowerbeds, shall be kept free of weeds. Maintenance of outdoor areas that fails to meet requirements and results in work performed by housing staff is a violation of the Veteran House regulations and subject to fees.

12.3.2. VILLARD-STREET-FACING HOUSES. University of Oregon staff will regularly maintain, including mowing, weeding, and irrigating front and back lawn areas and side yards (up to the fence or to the back edge of the house if not fenced), trees, shrubbery, and plants using modern methods with motorized equipment, herbicides, and fertilizers. Restoration from damage to trees, flowerbeds, shrubbery, or common grounds will be charged to Tenant's student account.

12.3.3. Vegetable gardening is only permitted in the backyard areas. Vegetable gardens may not be located within eight (8) feet of a structure.

12.3.4. Household and personal items are prohibited from being stored or displayed on front porches and front lawn areas (including parking areas and driveways). These items include but are not limited to, appliances, signs, "yard art," bicycles, children's play toys, tents, swimming pools, outdoor grills, laundry, yard sales, filled trash bags and recyclables, bird feeders, large flowerpots, satellite dishes. Any patio furniture used on the front porch must be designed for that use and may not be used on the lawn area. Upholstered furniture not designed for outdoor use is prohibited in all areas outside of the house.

12.3.5. Swimming pools are permitted in the backyards only. If they exceed a depth of eighteen (18) inches, they must be enclosed in a fenced backyard area with a minimum fence height of four (4) feet. Temporary fencing is not permitted. (Eugene City Code). Any grass damaged by the use of a swimming pool may result in a charge to the student account upon move out.

12.4. MOTOR VEHICLES AND PARKING

12.4.1. Parking is restricted to designated parking spaces and areas and shall not obstruct sidewalks, entryways, driveways, and fire lanes. Parking is prohibited on lawns. University Housing makes no guarantee of availability of street parking or the purchase of permits for street parking for any unit. Contact UO Department of Transportation Services and the City of Eugene about parking regulations that may change annually.

12.4.2. Motor homes, trailers, boats, ATVs, etc. and vehicles without current license plates and inoperable vehicles are prohibited and may be subject to towing at the owner's expense. Exceptions will be made during a five-day grace period immediately following a Tenant's check-in date or five days prior to a Tenant's check-out date.

12.5. USE OF ATTICS AND BASEMENTS

The House's attic and basement are closed to Tenant use. Tenants are prohibited from accessing such secured areas.

University Housing staff will conduct periodic preventative maintenance inspection of all basements and attics. Tenants will be notified at least 24 hours in advance.

13. CONTRACT TERMS DUE TO COVID-19

Your experience in the Veteran House for the 2022 – 2023 academic year may be impacted by ongoing efforts to reduce the risks of the 2019 Novel Coronavirus ("COVID-19") or other health risks to the community. Over the past year, the University has taken steps and enacted policies to reduce the risks of COVID-19, including changes to University Housing's operations and introducing additional health and safety requirements for Tenants. The University may need to implement the same or similar measures for the 2022 – 2023 academic year; however, at this time, the University cannot know yet the full scope of measures that may be implemented.

Below is a list of Veteran House COVID-19-related health and safety requirements that the University may or will impose. If any of the terms listed below conflict with other terms in this Agreement, the terms below control and supersede any conflicting terms. University Housing may issue an addendum to this Agreement before the start of the 2022 - 2023 academic year adding, detailing, or changing requirements for Tenants related to COVID-19 or other health risks as a condition of living in the Veteran House.

University COVID-19 Health and Safety Regulations. Tenants must comply with the University's COVID-19 Regulations and other health risks regulations (found at https://coronavirus.uoregon.edu/regulations), University Housing’s COVID-19 policies to the extent applicable to the Veteran House (found at https://housing.uoregon.edu/covid-19), as well as all public health laws, orders, rules, regulations, and guidance adopted by the University. Tenants must comply with these requirements in all locations in the Veteran House. In addition to being required and enforced under this Agreement, the University’s COVID-19 Regulations are also enforced through procedures established by the University’s Office of Student Conduct and Community Standards.

Additional information regarding University Housing’s current COVID-19 efforts, procedures, and requirements can be found at https://housing.uoregon.edu/covid-19-faqs.

Prohibited Hazards. Tenants are prohibited from creating health or safety hazards in the Veteran House, including, but not limited to, behavior that poses an unreasonable risk to the health and safety of Tenants, employees, or guests.
COVID-19 Testing, Vaccination, and Contact Tracing. The University, Oregon Health Authority, Lane County Public Health, or another authority may require Tenants to participate in any or all of the following as a condition of living in the Veteran House:

- Testing for COVID-19 infection;
- Vaccination against COVID-19 infection;
- Participation in contact tracing to identify individuals potentially exposed to COVID-19; and
- Isolation in your Unit, or another Unit or facility, for 1 - 14 days based upon health authority or University guidance.

These measures may be required before, upon, and after checking into Veteran House.

Guests. University Housing may restrict guests’ access to designated areas within the Veteran House.

Resident Quarantine or Isolation. Tenants who test positive or are presumed positive for COVID-19, were exposed to COVID-19, or otherwise pose a health risk to the Veteran House community may be required to quarantine or isolate for a period of time in accordance with instructions from University Housing, University Health Services, and/or a public health authority.

Termination for Safety. Upon reasonable notice to Tenants, University Housing may terminate Tenants’ Veteran House Agreements to reduce the health risks associated with COVID-19 or other health risks. Termination of Agreements may be necessary to further reduce residential density in the Veteran House, to expand emergency housing capacity, due to inability to find alternative housing for Tenants who need relocation, to close Veteran House in part or entirely, or to take other actions in the interest of public health and safety. If, at any time, the University closes the Veteran House pursuant to this paragraph and requires all Tenants to leave campus for the remainder of the academic year, Tenants will not be charged for the remaining, canceled portion of the period of this Agreement.

Personal Belongings. Tenants are solely responsible for removing their belongings from Veteran House at the time of termination of this Agreement or the expiration of this Agreement, whichever is sooner.

Remote Courses. The University, the State of Oregon, or a public health authority may decide, at any time, that education will be provided either primarily or exclusively via remote instruction. This Agreement will remain in effect regardless of the University’s mode of delivery of education.

University Housing Measures to Promote Health

Reduced Housing Density. University Housing may reduce housing density in the Veteran House. If the University takes action to reduce residential density, Tenants must comply with the University’s requests and actions to achieve this goal. This may include, but is not limited to, relocating Tenants to alternative Units or housing.

Modified Housing Events. University Housing events may be modified to allow physical distancing and adhere to guidelines that promote public health. If that occurs, University Housing will strive to provide events via an online platform.

Cleaning. University Housing may provide information to Tenants on appropriate cleaning and disinfecting protocols to reduce the risks associated with COVID-19 within the Veteran House. Tenants must comply with these cleaning and disinfecting protocols.

Acknowledgment of Risks

Although University Housing is implementing health and safety measures to reduce the risks associated with COVID-19 and other health risks within the Veteran House, University Housing cannot eliminate the possibility of exposure to or infection with COVID-19 or other health risks.

By signing this Agreement, you acknowledge the contagious nature of COVID-19 and other potential health risks and the risk that you may be exposed to or infected with COVID-19 or other health risks while living in the Veteran House despite any health and safety measures University Housing could implement and that such exposure or infection may result in personal injury, illness, disability, or death.
